School Closings

Nov. 22,23,24: Closed for Thanksgiving

November Curriculum

This month the children from our pre-toddler up to pre-primary class will be studying fruits and vegetables, along with Thanksgiving. Our primary friends will study plants, animals and flags of North America with an emphasis on Thanksgiving history and the pilgrims.

*Thank you for your wonderful support of our Book Drive and our Fall Festival! Both were a huge success and the families had so much fun with our festivities. Our Book Drive goal was \$1,000 and we raised \$700. **Please help us meet our goal by purchasing books for holiday gifts, family, and friends!***

Staff Additions

Please join us in welcoming some fantastic new additions to our MKU staff. From the minute you walk in the door, you'll notice Bonnie Gillis's smiling face. Our new afternoon receptionist will greet you as you pick up your children and send you off with your own smiling face!

Darla Fanta joins us as our new Admissions Director. Darla brings years of experience in admissions and a sparkling personality that will bring more wonderful families to our school.

Finally, Dr. Rebecca Deurlein is a familiar face to our school, as our former Head of School. You may see her as you are picking up and dropping off, so be sure to say hi. She is working on a consulting basis as we transition Michelle Sotelo into the role of Head of School.

We are unique in that our staff is highly qualified and experienced within the field of education. MKU truly is a cut above the rest!

MKU'S Mission: Nurture, Inspire, Educate

Montessori Kids Universe strives to provide a high-quality Montessori school that promotes and enhances each child's development while assuring our parent's peace of mind in the care and services we render. Our mission is to provide a safe, nurturing and developmentally appropriate program which fosters learning and support for the whole child.

Reminder to all parents!

Please remember that our school day begins at 8:00 am. Students have a half hour to arrive to start the school day. No students should arrive after that time, as it disrupts the classroom.
