December Curriculum

This month the children from our pre-toddler up to pre-primary class will be studying the body, shadows and movement, and in keeping with the holidays, Christmas Around the World. Our primary friends will study the same topics and will also study the United States as their geography lesson for the month.

MKU Holiday Gala

Thank you for joining us in a spectacular celebration of the holidays! The MKU holiday gala, held December 5 at the Sweetwater Country Club, was a resounding success as almost 200 family members attended in their holiday finery. The children eagerly waited to sit on Santa's lap as everyone took family photos and perused the many items donated to our silent auction. Dr. Rebecca Deurlein and Ms. Michelle Sotelo welcomed the families and introduced the children, who performed adorable songs to entertain the crowds. A lovely buffet was served and the children got in on the action with their own child-sized buffet! Gifts were exchanged and the highlight of the night was the auctioning of the creative keepsake paintings made by each Montessori class. Parents will treasure these paintings for a lifetime. Thank you to everyone who attended and who supported our school through donations and purchases. We truly appreciate our MKU families and were so grateful for the opportunity to thank you for entrusting your children to our care!
