### *February Curriculum*

This month we are studying all about our teeth and how to take good care of them. We will be celebrating Valentine's Day with a card exchange in each classroom. We will also learn about our great state of Texas! Our Reggio program this month will delve into animal habitats, a favorite with our students.

### *Teacher of the Month*

Congratulations to Ms. Mehri, January's Teacher of the Month! Ms. Mehri is one of our original teachers who helped us open MKU Sugar Land. She has been in the classroom for over 15 years and loves our babies like they are her own. Parents and children love Ms. Mehri and we are so honored to have her as part of our MKU family.

### *Welcome New Students*

**Reminder:** We WILL be open on Monday, February 19<sup>th</sup> as a makeup day for the ice storm closures. We will be operating with our regular hours, 6:30-6:30.

**Congratulations to the Boler family!** After posting reviews on Facebook and Yelp, they were the winners of the Open House Gift Card Raffle. Thank you to all our parents who take the time to post great reviews on these sites. Parents count on your reviews when deciding who will care for their children, and we are grateful for your positive comments.

Before our Open House our teachers attended a three-hour comprehensive CPR and Safety training session. MKU is committed to providing a safe environment for all of our students. MKU is proud to report that all of our lead teachers, assistant teachers and staff are CPR and Safety certified!

### **Thank you for a wonderful Open House!**

It was so lovely to see our families joining us for this wonderful event. Our children loved presenting lessons to their parents, siblings and grandparents. We enjoyed meeting prospective parents as tours occurred through the duration of Open House. Approximately 50 people attended and enjoyed the delicious treats prepared by our catering company Road Runner Foods. Thank you all for your support. We are grateful for the privilege of caring and educating your children.
