

Mrs. Diane Duvall, Head of School :

It is my pleasure to join Montessori Kid's Universe family. As one school year closes another school year is quickly approaching. I spent two years searching for just the right school. I want to thank you for allowing me to partner with Montessori Kids Universe. My passion is to make memorable school experiences for each child at Montessori Kids Universe.

ENROLLMENT IS NOW OPEN!

Do you know anyone who would be interested in sending their children to Montessori Kids Universe? The Montessori Method is the most widely and longest practiced form of education in the World. There are more than 22,000 schools in 110 countries worldwide. Current brain and educational research supports many of the practices perfected by Montessori teachers over the last 110 years.

Enrollment for the 2018-2019 school year is open! Don't wait any longer, pass the word... and receive your Referral Fee of \$100.

FILLING BUCKETS AND IMPLEMENTING PRACTICAL LIFE SKILLS

This summer, I encourage you to do things that you and your family enjoy: spend time in and on the water, hike, camp, read for pleasure, garden, cook, travel, and whatever else fills your buckets or brings joy to your heart.

Children can also find joy and have a sense of purpose when they help the family through the completion of practical life skills. Implementing practical life skills can provide the child sense of purpose and value while they are enjoying their summer fun with friends and family.

Let children be creative when completing practical life tasks - make meal menus, cook and prepare meals, wash and dry clothes, fold laundry, sweep and mop, vacuum, mow the lawn, feed the pets, set up and tear down the tents, have lemonade stands, lead hikes and identify plants and animals, read maps from a car atlas while traveling, make bouquets, organize a book club. Have them make charts and checklists to track their week of progress and accountability as well as a great reflection opportunity. Doing these activities together can help build and bond these experiences with you and your child.

Montessori Kids Universe Sugar Land Receives 2018 "Best of Sugar Land Award"

SUGAR LAND, June 27, 2018 – Montessori Kids Universe has been selected for the 2nd year in a row for the 2018 **Best of Sugar Land Award** in the Montessori School Category by the Sugar Land Award Program.

Montessori Kids Universe opened in November 2016, under the leadership of Dr. Rebecca Darleen, an educational consultant, parenting author, and veteran teacher. The school immediately became involved in the community, participating in Sugar Land Town Center Events, and supporting charitable organizations such as Child Advocates of Ft. Bend, Literacy Council of Ft. Bend, and Sugar Land Rotary. The school's marketing strategy coupled with positive parent testimonials and a highly professional staff now led by Mrs. Diane Duvall, brought great growth to the to the school's year a round program.

The Sugar Land location opened with 8 children, said Dr. Deurlein, "and in its second year is just about at capacity. That's a testament to an incredible staff committed to excellence". Montessori Kids Universe Sugar Land is the flagship school of the Houston territory, with the school in Katy, Bellaire, and Spring Cypress and others opening their doors throughout Houston.
