Introducing our New Montessori Specialist

We are so proud to have Ms. Jo join our MKU family, as she has dedicated her life to Montessori education. She began her career in 1981, owning and operating her first Montessori school out of Beaumont, TX, and she has spent the last 30+ years honing her skills, leading classrooms and schools, and developing programs that foster independent learning, respect, grace, and courtesy.

Her goal is to make a difference in the lives of each student and parent. In her last position as Director, Ms. Jo brought her school into the Top 10 and we know she will play a significant role at MKU, the Top Preschool in Sugar Land!

See Ms. Jo in action

Ms. Jo spends time each day working with individuals and pairs of students on Montessori work. Here, she is facilitating a lesson on the Sequin-Teens Board, teaching and reinforcing the numbers from 11-19, both concretely and abstractly.

Ms. Jo collaborates with the teachers at MKU, both to grow teachers' knowledge and to provide additional lessons for the students. Together with Primary Lead Teacher Ms. Christina, The colors remind us of the place values, and appreciate how children need to move their fingers as they are thinking, counting, and performing math operations.
